Call 870-299-0192 if you have any questions

Email completed form to [art@kidsngolf.org](mailto:art@kidsngolf.org) or drop at Lions Club Pro Shop

**Parents:** Maximum number of participants is 35 golfers so we are able to maintain ideal coach/student ratios. We encourage you to sign your young golfer up early for this week and make every effort to see they are present and on time, ready to participate fully each day.

I believe my child is in good health and able to participate in this Golf Camp. Golf is not a contact sport, but I understand there are some risks from golf balls and clubs that can cause injury. However, I will not hold The Lions Club Municipal Golf Course, KidsNGolf, their employees, officers or volunteers liable in the case of injury to my child. My child's photo may be used in the promotion of this event through printed media and on the respective web sites and Facebook pages.
